REPORT OF THE LIBRARY TRUSTEES

The trustees of your library have had a busy and productive year.

We have purchased a thousand new books and have been fortunate to share in the state program to receive seventy fine sight saving books.

We have rearranged and added a new card catalogue to separate adult and juvenile fiction.

The trustees wish to express their thanks for the books presented by local citizens and also the glass display case given by Mr. & Mrs. Guy Bemis.

We have conducted a film program during the winter months and a story hour and reading contest for the children.

Many exhibits have been on display.

We have an excellent record collection and these can be loaned on the same plan as books.

In August Miss Jessie Graves resigned and was replaced by Mrs. Marshall Putnam. The trustees wish to express their appreciation to Miss Graves for her many years of faithful service.

As is true with many areas of public service, costs have increased. It is essential that we do some repair work and re-decorate the building. With this thought in mind we are asking the town to increase our budget.

We wish to thank the residents of the town for their interest and cooperation and urge you to make use of the many services your library has to offer.

Respectfully submitted,

FRANCES POTTER

Chairman

Report of Forest Fire Warden & District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To NEVER discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn—
 - a. You need a written permit from the town fire warden for ALL debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on GRASS by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire BEFORE you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:
